President's Message

September...Really??? The weather continues to be the hot topic as we started the month with wicked storms and so much flooding. I hope all of you were saved from the water and your Mustangs are dry.

Good news was that Rich and Sharron P got the day off so we were able to spend Thursday at Dead Man's Curve after enjoying a breakfast at the State Line Diner. As we were registering, the gentleman behind me said one of his cars took 2 feet of water. Not to worry, the insurance would allow him to do more upgrades. I always like to look at/hear the silver linings to disturbing events. Besides the great company and shared meals, DMC was amazing with over 3,000 of the most unique, beautiful cars and all of the entertainment. Even a Jet Fuel Amish Buggy! It also included a 9/11 tribute with a fleet of antique NYPD cruisers and NJ State Police helicopter fly over that was awesome (Caused several tents to blow over, dust everywhere and we heard of a hood that was dislodged). Several people saw the banner in our tents and inquired about finding parts for their restoration and joining the club.

Rich I joined me at the Vet's Summer Fest at Vasa Park, although no car show this year due to Covid limitations when they were planning the event. I contacted the event organizer the day before to determine what time we should arrive and told her about our gift. When I met her the next morning, she told me she cried after the call, so overwhelmed with such a large gift. She towed me around the park to meet at least a dozen people involved in the charity and tell them about GSRMC and how we support charities. We presented a check for \$4,000. to Operation Chillout which benefits homeless veterans in NJ. The amount was much more than any other donations and was received with the fanfare befitting a gift of millions.

Spent a beautiful day at the Greenwood Lake Airshow/Carshow with several GSRMC members. There were thousands of spectators and I talked to so many. Two joined the club and attended our August meeting. Although everything was great, I especially enjoyed the National Anthem while the flag was unfurled as someone dropped via parachute from the

plane. The flames and very loud boom from the Jet Fueled Truck were exciting, quite the antithesis of an e-car.

We had almost 80 members at the club picnic at Lake Denmark on a rare rain free day. It was wonderful to see so many of you, from original to brand new members. The covered pavilion provided a spot for everyone to socialize safely. We had a catered BBQ, so for the first time in 20+ years Jim and Joanne S were able to enjoy the picnic as guests. Mike D and Tom Y corralled our Mustangs into formation for the GSRMC Annual Picture. This is not an easy feat. Thanks Frank C for procuring the venue and Al V for all his help.

While I was writing this, I heard that Rich C will get to go home on the 17th. He has been hospitalized since early June. We are going to plan a parade of Mustangs tentatively the evening of 9/24. Watch your email/Facebook as the details are finalized. He misses his GSRMC Family.

CLUB NEWS

there have drawn over 300 show vehicles. Our charities for this show are; the TuTu Project & Brick City Rescue.

The most important thing you can do is spread the word and pass out flyers. Flyers will be available at the meeting or you can contact the show chairman,

Tom Addeo at 973-229-7735 or

tomaddeo@yahoo.com

The day of the show we will need volunteers for registration, parking, 50/50, club table and perhaps some other jobs throughout the day. Please sign up at the meeting or contact Tom. We ask that if you are helping out, especially with parking or registration, you arrive by 7:30 am. If you can't be there by 7:30, please note when you will arrive on the signup sheet or when you contact Tom.

SHOW REGISTRATION DISCOUNT

One of the perks of being a GSRMC member is that you get to register for any shows for only \$5. This discount only applies to vehicles preregistered by the deadline. **This special rate is not printed on the flyer so it is up to you to register at the \$5 rate and indicate on the form that you are a GSRMC member.** If you are registering online, use the special discount code that members received via e-mail. We hope that all members attending the show will volunteer while there.

Please note that registered members need to arrive prior to **9 am** to guarantee parking in the GSRMC member's parking area.

TEAM SHELBY CARS & COFFEE

Team Shelby Northeast and Ray Price FORD are having a Cars & Coffee event on Saturday September 18th from 9:00am to 12:00pm. All make, model, & year Mustangs are welcome, there will be some High-Performance FORD vehicles at this event too.

If you want to caravan with us, we are meeting in the Cracker Barrel parking lot off Route 80 in Mt. Arlington NJ (172 Howard Blvd.) at 8:00am and will be leaving at 8:20am Sharp. The Ray Price FORD dealership is 45 minutes in travel time from the Cracker Barrel. If you have any questions, feel free to contact me at the number below.

October 10th is the date for the Cars & Coffee All-Ford Meet in Millstone Township and the GSRMC has been invited to participate in the event. Perhaps the best part about being involved in this event is that the organizer has told us to just come down and enjoy ourselves. That's right, we are not looking for work volunteers for this one.

The organizer of this event, Cars and Coffee New Jersey, held on the last non-holiday Sunday of every month between May and September, is led by the same person whose 1985 & up Mustang collection we visited in 2019. If you didn't have a chance to see this impressive display then, you should be able to talk your way in during the event.

They are expecting over 300 Fords this year. Although this event is dominated by Mustangs, you will see Model Ts to Ford GTs and everything in between. After the event we will cruise to lunch and maybe another stop along the way. This event is rain or shine and all Fords will be able to park in the show area. You can join us in a non-Ford but you will have to park in the spectator area and risk severe ridicule.

We will be meeting at the Molly Pitcher service area between exits 8A & 8 on the south bound side of the NJ Turnpike.

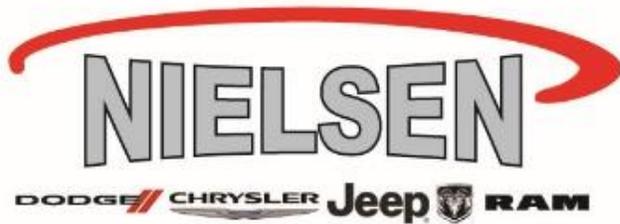

Follow the signs for CARS and head for the far right (North) of the parking lot.

We will need to leave from there at 7:30 am for the short ride to the event. We hope many of you will drive your Mustangs but it is not required. This event is rain or shine. Look for more details at the meeting and in an e-mail as the lunch/additional stops are confirmed. I will need to have an approximate car count because they will be putting us in a designated area. In case you want to meet us there, the address is Moto Business Park, 400 Rike Dr., Millstone Twp., NJ 08535. **If you plan on attending, please sign up at the meeting or you can contact Mike D. at 201-421-0871 (C) or 8550mustang@gmail.com .**

Should we need to use the raindate of 10/10 for our Autoberfest show, this cruise will be cancelled.

AUTOBERFEST CAR SHOW

Our second show of the year is on Sunday, October 3rd (rain date-10/10) at Nielsen Dodge/Chrysler/Jeep/ Ram in E. Hanover. It will run from 9 am-2 pm and will be an All Make/Model/Year show following a favorite 40 format.
